no more apologies for being a man best selling social commentator anthony esolen draws on timeless wisdom to defend the masculine virtues of strength drive ambition and determination in building and upholding civilization itself this is a book that should not have to be written its purpose is to return to men a sense of their worth as men and to give to boys the noble aim of manliness an aim which is their due by right one of the most courageous and penetrating writers of our time anthony esolen shows that men and women would both be happier if men came to a just appraisal of their worth the manhood he praises does not boast or swagger but it appreciates its powers it is reluctant to hurt but it does not cringe or cower the whole of civilization rests on the shoulders of men who have done work that most people would not do and that the physically weaker sex could not have done and though the masculine mystique is about more than physical force the differences between the sexes manifold and profound are all related in some way to that one the easiest difference to see and the hardest to deny the feminist who mindlessly asserts that a woman needs a man like a fish needs a bicycle takes her comfortable world including the bicycle for granted and she betrays her lovelessness and ingratitude worse

in this extended meditation anthony esolen looks phrase by phrase at the majestic prologue to the gospel of john which with good reason he calls the most influential paragraph in the history of man he unfolds its theological richness by showing how the apostle john has in mind not only what he saw jesus do and heard him say but also the whole witness of scripture before the time of jesus and the way the young church proclaimed him a unique feature of this remarkable work is how esolen hears and we with him the hebrew aramaic underlying john s greek which was not his mother tongue echoing those languages in such a way that all at once what we thought could never be more profoundly expressed bursts forth in a renewed poetic splendor that brings into ever keener relief the whole panorama of the theology of the god man esolen s decades long immersion in christian poetry and scripture uniquely positions him as a guide to the astonishing and life changing poem of the prologue he says it best my hope is not only to illuminate what john wishes us to hear but to show that when it comes to this poetry john is not the originator he is rather the beloved disciple who caught the habit from the lord himself
